Who we are

Coggno was founded in 2007, with our main office located in San Jose, California.

Coggno is a universe of **online training courses** created by industry experts, and delivered via an intuitive learning platform. Online training through a Learning Management System is an easy and convenient way to distribute the latest coursework tailored to meet the needs of every department within large corporations and small businesses.

Why we exist

- ✓ To support small and medium businesses as well as broadly-distributed global enterprises on compliance-related curriculum, legislation or mandatory governmental requirements.
- ✓ Provides the ultimate convenient training solution to companies amidst the rapidly changing working environment and fast-paced living conditions in our current society.

The Training University

How the Training University works:

Select any course on Coggnio – we have virtually 1,000s of courses available in our Marketplace.
